### **Cautionary Statement Regarding Forward-Looking Statements**

Safe Harbor Statement under the Private Securities Litigation Reform Act of 1995: This press release contains, and certain oral statements made by our representatives from time to time may contain, forward-looking statements. Generally, forward-looking statements include information describing actions, events, results, strategies and expectations and are generally identifiable by use of the words "believes," "expects," "intends," "anticipates," "plans," "seeks," "estimates," "projects," "may," "will," "could," "might," or "continues" or similar expressions. The forward-looking statements in this press release include, without limitation, any statements regarding our expectations regarding building shareholder value, future cash flow, longer-term growth and invested assets. Such statements are based on the beliefs and assumptions of HC2's management and the management of

HC2's subsidiaries and portfolio companies. The Company believes these judgments are reasonable, but you should understand that these statements are not guarantees of performance or results, and the Company's actual results could differ materially from those expressed or implied in the forward-looking statements due to a variety of important factors, both positive and negative, that may be revised or supplemented in subsequent statements and reports filed with the Securities and Exchange Commission ("SEC"), including in our reports on Forms 10-K, 10-Q, and 8-K. Such important factors include, without limitation, issues related to the restatement of our financial statements; the fact that we have historically identified material weaknesses in our internal control over financial reporting, and any inability to remediate future material weaknesses; capital market conditions, including the ability of HC2 and HC2's subsidiaries to raise capital; the ability of HC2's subsidiaries and portfolio companies to generate sufficient net income and cash flows to make upstream cash distributions; volatility in the trading price of HC2 common stock; the ability of HC2 and its subsidiaries and portfolio companies to identify any suitable future acquisition or disposition opportunities; our ability to realize efficiencies, cost savings, income and margin improvements, growth, economies of scale and other anticipated benefits of strategic transactions; difficulties related to the integration of financial reporting of acquired or target businesses; difficulties completing pending and future acquisitions and dispositions; effects of litigation, indemnification claims, and other contingent liabilities; changes in regulations and tax laws; and risks that may affect the performance of the operating subsidiaries and portfolio companies of HC2. Although HC2 believes its expectations and assumptions regarding its future operating performance are reasonable, there can be no assurance that the expectations reflected herein will be achieved. These risks and other important factors discussed under the caption "Risk Factors" in our most recent Annual Report on Form 10-K filed with the SEC, and our other reports filed with the SEC could cause actual results to differ materially from those indicated by the forward-looking statements made in this press release.

You should not place undue reliance on forward-looking statements. All forward-looking statements attributable to HC2 or persons acting on its behalf are expressly qualified in their entirety by the foregoing cautionary statements. All such statements speak only as of the date made, and unless legally required, HC2 undertakes no obligation to update or revise publicly any forward-looking statements, whether as a result of new information, future events or otherwise.
